Syllabus

Course feedback

/ Department of Mechanical Engineering / Sections / Week 6 / 6.2 Potentiometer - microcontroller - DC motor - 10 points

## 6.2 Potentiometer - microcontroller - DC motor - 10 points

**Opened:** Tuesday, 19 November 2024, 10:00 AM  
**Closed:** Tuesday, 3 December 2024, 10:00 AM

Design a microcontroller based speed control for a DC motor.

Attempts allowed: 1
